

The Dutch Accreditation Council RvA, by law appointed as the national accreditation body for The Netherlands, hereby declares that accreditation has been granted to:

Academisch Medisch Centrum Laboratorium Genetische Metabole Ziekten Amsterdam Zuidoost

The organisation has demonstrated to meet both the technical competence requirements and the management system requirements that are necessary to consistently deliver technically valid results.

This accreditation is based on an assessment against the requirements as laid down in EN ISO 15189:2012.

The accreditation covers the activities as specified in the authorized annex bearing the registration number.

The accreditation is valid provided that the organisation continues to meet the requirements.

The accreditation with registration number:

M 154

is granted on 18 April 2019

This declaration is valid until

1 May 2023

The Chief Executive

Ir. J.C. van der Poel
